1.2.4 INSTITUTIONAL FACILITIES FOR SELF-STUDY COURSE

- The college library is fully automated. It uses INFLIBNET.
- 'Search the catalogue' option provides a clear and simple interface for library users to check the availability and status of all library items through different approaches like author, title, subject, accession number etc.
- The users (staff and students) themselves can check the complete records of their respective circulation (issue and return) of books over a span of time with the help of user name and password provided to them by the library staff.
- The users can have access to e-journals subscribed by the college library.
- The users can have access to e-books subscribed by the college library.
- The users can have access to e-resources (e-journals and e-books) through NLIST programme of INFLIBNET, the membership of which is renewed on annual basis by the college library.
- The whole campus is Wi-Fi enabled and the students can do their work in their ICT laboratory, that is having - computers. They can prepare assignments, projects, and study for competitive exams or for any self-study course from SWAYAM, ETC.
- The institution has computer laboratory with Wi-Fi Internet facility for data entry and analysis, document generation, research publication, internet access and information sharing
- B. Ed students use basic office software like Microsoft Word, Excel, and Power Point for practice and making presentations.
- Teachers make use of ICT facilities for curriculum transaction and for research purposes.
- Students are also allowed to use computer/ ICT lab for their assignments / project work and to explore knowledge beyond curriculum.
- The users can have access to MS- office software.
- All computers have Anti- Virus software installed.
- The users can have access to e-resources by using internet facilities.
