Rotaract clubs bring together youth between the ages of 18 and 40 to exchange ideas with leaders of the community, develop leadership and professional skills, and have fun through service. In communities worldwide, Rotary and Rotaract members work side by side to act through service. This global organisation empowers students and young professionals to create positive change in their local communities and around the world. Rotaract provides unique opportunities that assist its members in becoming business and professional leaders of tomorrow. Sponsored by Rotary International, Rotaract Clubs across world are part of a worldwide organisation of 210,000 individuals in 9,100 clubs covering 170 countries. The word Rotaract" stands for "Rotary in Action", The avenues of service include Club Service, Community Service, International Service and Professional Development.

Rotaract clubs, which are part of the Rotary International network, focus on developing leadership and professional skills while promoting service above self. They make a significant impact on communities and support the poor in several practical and meaningful ways. Rotaract clubs serve the poor by combining direct action, awareness, and sustainable development. Their focus is both **immediate aid** and **long-term empowerment**, all driven by young professionals and students committed to service and leadership.

The Rotaract Club of D.B.M.S. College of Education undertakes activities like annual **blood donation camp, cloth and food collection drives to aid the underprivileged, awareness sessions and health check-up camps, sustainable and green initiatives**. These initiatives empower the students to decide how to organize and run the club, manage funds, and plan and carry out activities and service projects. The Club undertakes various projects for the overall development of its members and the community. This makes each Rotaractor a person with empathy and provides them with a whole new vision to see the world with.
