## **REPORT**

**TITLE OF THE PROGRAMME** : **Tech- Savvy Teaching:  
Introduction To Video  
Editing For Future  
Educators**

**DATE** : **17/04/ 2025**

**VENUE** : **Computer Lab**

**TIME** : **11:00 a.m. to 1:00 p.m.**

### **CONTEXT OF THE SESSION**

A hand- on session on video editing was conducted by Dr. Meenakshi Choudhary on 17<sup>th</sup> of April, at computer lab of D.B.M.S. College of Education to enhance the digital skills of students and equip them with practical knowledge of multimedia tools. The session objective focused on introducing participants to basic video editing techniques such as trimming, adding transitions, inserting text and syncing audio. Various user- friendly software tools were demonstrated, enabling students to understand the process of creating engaging and professional- looking videos. The session not only provided technical know- how but also highlighted the importance of visual storytelling in today's digital era. Participants learned how to plan a video project, organize media files and apply basic editing principles to produce clear and meaningful content. Emphasis was placed on creating educational videos, presentations and digital teaching ads, which are highly relevant for B.Ed. students. Students actively participated in hands- on activities, asked questions and showcased their creativity through small editing tasks assigned during the session.
