Our Learning Management System (LMS) serves as a gateway to a vast array of digital resources for our B.Ed. students. Through this platform, students can access a wide range of materials to support their academic pursuits.

These resources include:

- ✚ E-books for in-depth study
- ✚ E-magazines for the latest insights
- ✚ E-journals for scholarly articles and research papers
- ✚ E-newspapers for staying updated on current events
- ✚ University question papers for exam preparation
- ✚ Competitive exam papers to aid in preparation
- ✚ General knowledge resources to broaden their understanding

By providing access to these resources, our LMS empowers B.Ed. students to take ownership of their learning, explore new topics, and stay ahead in their academic journey.

## FOLLOWING ARE THE LISTS OF RESOURCES:

| SL.NO. | NAMES                                                                                                                                                                                                                                                                                                                                                                         | URL LINK                  |
