PAPERLESS OFFICE

To minimize the usage of paper, all circulars for staff are sent through Whatsapp. Leave applications of both staff and students are asked to be sent through mail. Time-table, lesson plans etc. are sent to staff or student through group mail.

Most of the assignments are sent to the teachers through Google classroom. Both side of the paper should be used if written assignments are prepared. Rough sheets are kept and the blank side of it is used for printing in both principal's office and main office.
