Dear Sir / Madam,

Warm greetings from Jeevan Parivar.

I trust the past year was good for you as well as the faculty, students and staff of your institution in terms of physical as well as mental fitness.

As the challenges being faced by people keep on increasing everyday, each one of us needs to help create awareness in removing the stigma attached to talking about mental health. We ourselves also need to understand the symptoms of anxiety, stress and depression in order to be able to understand the behavioural changes in those around us and be able to help them.

As you may be aware, we at Jeevan conduct workshops for students to make them understand stress and educate them on how to handle it. We would be happy to organise one such workshop for your students. It would help them empower themselves emotionally for any kind of situation.

As you are aware, 10th September is observed as the World Suicide Prevention Day. **The theme given by International Association for Suicide Prevention for 2024-27 is 'Changing the narrative on suicide' - start the conversation.** It aims to promote talks on mental health, suicide and suicidal behaviour, helping reduce the stigma attached to it.

Like previous years, this year too we are organising a few activities to observe this day and create awareness in youth. We request you to encourage your students to participate in them. The details of the same are as follows:

1. Taking out a rally around an area close to your premises.

We request you to select a date between 3rd and 10th September to take out a rally, with at least 50 students. Minimum of two volunteers from Jeevan would join in the rally. We would be sharing the soft copies of slogans with you. Children can be given printouts of the same to make placards. Our volunteers would be bringing some handbills to be distributed to the passersby, residents and shop owners of that area. Please inform us of the date, time, and number of students participating to help us plan a roster.

2. We would be organising the following competitions on **Saturday, 31st August:**

i) Nukkad natak:

Message to be conveyed:

'Changing the narrative on suicide' - start the conversation.

Time allotted: Maximum 3 minutes. Teams exceeding time limit would be penalised.

Language: Hindi
